

## Sambro Elementary Newsletter

### March 2022

We are moving quickly into 3<sup>rd</sup> term. We have been fortunate that we have been in school learning even when Omicron is still going. We did have a couple of weeks in January and February where students and staff were hit with the virus but we are all back in full attendance and full swing. Teachers are working hard wrapping up some term 2 units and preparing for writing report cards. Students have been enjoying playing outside especially in the snow and on the hill.

We are now able to play outside in all areas and with other classes. Stay tuned for more information on Covid restrictions being lifted after March Break.

#### HATS OFF!

To Mrs. Roos who has taken over for Mr. McPherson. She has done an awesome job for Mr. M and she will be missed. To all the ladies in the Learning Center who have been so flexible and helping out and covering when we are short staff.

#### School News

A lot of cool learning and engagement going on in each classroom.

The **Pre-primaries** are outside every day discovering and exploring their environment.

**Primary/1 Gray's** have been doing a lot of wondering and questions around Snow and Ice and working on good open ended questions. They are moving along the continuum beautifully in reading and writing.

**Grade 1/2 Caines** class has been writing non-fiction books and researching their animals.

**Grade 2/3 Henneberry's** are working on partitioning large numbers in Math and making inferences in their reading. They too are working on some cool Non-Fiction books using technology.

**Grade 3/4 MacIsaac's** class are doing some research on Owls and examining Owl Pellets

**Grade 4/5 Mr. McPherson's** have created a theme park using research and the technology program CanVA

## **Health Initiative**

Tips for Healthy Living

**Food:** Good old cheese and crackers with a side of fruit makes a great healthy snack

**Drink:** Water fact: Helps to move nutrients and oxygen to every cell in our body

**Movement:** Sledding, Ice Skating and Snow Shoeing are some fun things to do when we have the snow.

## **PTA**

There will not be a spring fair this year as we know it with our families and community, but there will be a full day of Spring Fair Fun for the students in the school. Stay Tuned

## **Lunch program:**

Thank you to all the ladies and men who have been coming in to help with the hot lunch. The food has been delicious and nutritious. Thank you Nancy Ewing, Amy Gilkie and Lori Gray for doing all the scheduling and getting all the ingredients we need for our lunches weekly. Please remember to send in your paper copies so we can keep track of the meals we are sending out and no one gets forgotten.

**Fun Week March 7<sup>th</sup> to 11<sup>th</sup>** . To add a little fun to the end of term one we thought we would have a fun week with the students.

## **Tuesday the 8th**

Twin Tuesday or Dress as your favorite person (sports player, author, dancer, whatever)

## **Wednesday 9**

Love your Hair Day. Make your hair silly, colorful, or just plain fun

## **Thursday 10<sup>th</sup>**

Rainbow Day Dress in your Rainbow Colors

## **Friday 11<sup>th</sup>**

PJ or comfy clothes day. You are welcome to bring your stuffy too.
